

Avianca Airlines Introduces Business Class on Los Angeles LAX to Bogota Flights

Posted on June 1, 2023 by Charles Miller

Avianca Airlines has recently announced an exciting update for customers traveling on the Los Angeles LAX to Bogotá route. Starting from June 1st, passengers will have the option to enjoy the comfort and luxury of business class. This decision was made in response to valuable feedback from customers, aiming to enhance their travel experience on the airline's longest route in the Americas.

To cater to diverse passenger needs, Avianca Airlines will offer five different fare options for travelers between these destinations: XS, S, M, and L in economy, and XXL in business class. The flights will be operated using Boeing 787 twin-aisle aircraft, featuring a business cabin with 28 seats and an economy cabin with 222 seats.

The daily flight AV0083 will depart from Los Angeles (LAX) at 8:45 p.m. (local time) and arrive in Bogotá (BOG) at 05:45 a.m. the following day (local time), with a duration of approximately seven hours. The return flight, AV0084, will depart from Bogotá at 1:10 p.m. (local time) and arrive in Los Angeles at 7 p.m. (local time) on the same day.

Manuel Ambriz, Avianca's Chief Commercial Officer, expressed the airline's commitment to providing an exceptional travel experience for passengers. He stated, "We understand that traveling to Bogotá is akin to a long-haul journey, and we want our customers to have the opportunity to enjoy additional benefits. By listening to their feedback and making necessary adjustments, we are thrilled to introduce the option of flying in the business cabin on this seven-hour flight. With one daily flight between Los Angeles and Bogotá, we believe this development is significant for the route."

Avianca Airlines continues to prioritize customer satisfaction by offering enhanced services and ensuring a seamless and comfortable journey for passengers traveling to and from Bogotá.

With this announcement, customers who choose to fly business class between Los Angeles LAX and Bogotá will have access to a service that includes:

- Welcome drink

- Dinner/lunch with three menu options to choose from and snacks
- Offers on liquors and beverages
- Blanket and pillow kit
- Amenity kit and mattress pad for night flights
- Complimentary entertainment system

The service for passengers flying in the economy cabin on this route includes:

- Dinner or lunch with two options and a snack
- Offers on liquors and beverages
- Blanket and pillow kit on night flights
- Free entertainment system

*Flights on this route are operated on Wamos aircraft and have a capacity of 34 executive cabin seats. For more information, please go to: [Avianca Airlines website](#).
