

Czechia's ABS Jets Expands Fleet with First G700

Posted on January 23, 2025 by Business Editor

ABS Jets has added its first Gulfstream G700, expanding its fleet with the ultra-long-range jet. The aircraft, registered as P4-GKF (msn 87032), became active on December 14, 2024, with its maiden flight from Savannah International to Larnaca. Two days later, it arrived at its new base in Prague Václav Havel.

The G700 joins ABS Jets' Aruban-registered fleet, which already includes a G550 and a G650ER. The Czech-based company also operates a diverse locally-registered fleet, featuring a Challenger 605, Citation XLS+ and XLS Gen2, Falcon 7X, GVII-G500, multiple Gulfstream G650s and G650ERs, three Legacy 600s, two Legacy 650s, and an Airbus Helicopters H145.

ABS Jets offers a comprehensive range of services, including charter flights, aircraft management, maintenance, and ground handling. With the addition of the G700, the company enhances its ability to serve clients seeking state-of-the-art luxury and performance in long-range business travel.

The G700's introduction reinforces ABS Jets' position as a leading player in the Central European private aviation market, known for its commitment to operational excellence and premium service offerings.
