These exclusive voyages are tailor-made for discerning travelers seeking an in-depth exploration of some of the most coveted destinations in the world.

The ‘Immersive Overnights’ collection boasts itineraries spanning the Mediterranean, Northern Europe, and Asia. Guests will have the opportunity to enjoy overnight stays at each port of call, allowing for extensive, leisurely exploration of these spectacular destinations. These luxurious voyages will be available on four out of the six ships in ‘The World’s Most Luxurious Fleet’: Seven Seas Splendor, Seven Seas Explorer, Seven Seas Voyager, and Seven Seas Navigator.

This unique collection is part of the ‘Upgrade Your Horizon’ offer, where guests are treated to a complimentary 2-Category Suite Upgrade and benefit from low deposit amounts. Additionally, for travel advisors, RSSC partners can earn a \$250 gift card for each new booking deposited for 2024 sailings between January 17 and February 29.

Andrea DeMarco, President of Regent Seven Seas Cruises, emphasizes the company’s commitment to innovation and luxury, stating that the Immersive Overnights collection will redefine luxury cruising by offering extended stays in each port. Destinations range from Incheon in South Korea to Zadar in Croatia and Stockholm in Sweden.

Shawn Tubman, Senior Vice President of Sales North America for Regent Seven Seas Cruises, highlights the transformative impact of Immersive Overnights for travel advisors, offering new opportunities to attract guests who traditionally opt for luxury land-based vacations. RSSC provides extensive support materials, including webinars and toolkits, to assist travel advisors in showcasing the unparalleled value of a Regent cruise.

The Immersive Overnights experience is further enriched with 26 exclusive evening shore excursions, including visits to world-class art collections, sunset wine-tastings in Tuscany, and Michelin-star dining in Athens. More evening shore excursions and multi-night overland tours in countries like Italy, Croatia, France, Greece, Germany, and Finland are set to be revealed.

Included in the voyage fare, as part of RSSC’s free unlimited shore excursion program, these excursions add to

the comprehensive luxury package. This package includes round-trip business-class air travel from the U.S. and Canada, gourmet cuisine, fine wines and spirits, entertainment, unlimited internet, valet laundry service, pre-paid gratuities, and seamless transfers. Guests in Concierge-level suites and higher also enjoy a pre-cruise hotel package, adding an extra layer of luxury to their journey.
