

Sky is limit for Dubai hotel's 50th-floor infinity pool

Posted on November 30, 2021 by News Editor

Guests at the Palm Tower in Dubai can take in the cityscape in refreshing splendor by plunging into the world's first and highest 360-degree infinity pool. The 200-meter-high Aura Skypool features a 750-square-meter pool deck on the 50th floor of the building that houses the St. Regis Dubai hotel along with apartments.
