

Theme park project with hotel in England, moves forward

Posted on February 1, 2021 by News Editor

An application to construct the London Resort theme park in Kent, England, has been accepted by the Planning Inspectorate for examination and now passes to the Secretary of State for a full validation and inquiry process, which will take up to 18 months. If approved, the \$6.85 billion, 535-acre resort would feature a visitor center, two theme parks and more 3,500 hotel rooms.
