## Wee Cho Yaw's Pan Pacific Hotels bets big on recovery

Posted on March 1, 2022 by News Editor

UOL Group plans to spend at much as \$294 million to add more than 4,000 rooms across 18 new and renovated properties under its Pan Pacific Hotels Group. UOL, controlled by billionaire Wee Cho Yaw, presents the global expansion strategy as a vote of confidence in resurgent post-pandemic consumer demand.
