## Vacationing in the Dominican Republic

The Dominican Republic is among the most popular Caribbean islands for tourists to visit, especially during the winter. As the cold winter months approach, travelers begin scoping out their next vacation spot, and this destination is almost always in the running. With Playa Hotels & Resorts, travelers have several different properties to choose from. Whether it's a family-friendly vacation or an adults-only getaway, there is a beachfront resort that fits every need in this collection.
